

Model: M300AP
9V smoke alarm with alarm pause

The Micro 300AP is a 9 volt battery operated device with alarm silencer. Ideal for areas that are subject to 'non emergency' alarms. Pushing the Alarm Silencer Button decreases the sensitivity of the alarm for 10 minutes thereby decreasing the number of 'non-emergency' alarms. A paused alarm flashes a red LED every 10 seconds.

Product features:

- 9V battery operated alarm
- Alarm pause button
- Low battery warning
- Compact design
- Battery included
- Dual ionisation
- Loud Piezo electric alarm
- 5 year guarantee (alarm only)
- Certified to BS EN 14604: 2005
